

Location

11 SB is within easy walking distance of both Chancery Lane (Central Line) and Holborn (Central and Piccadilly Line) tube stations. This area is served by many buses with the following lines departing from key train stations: 17 from London Bridge, 8 and 38 from Victoria and 521 from/to Waterloo/London Bridge. The closest drop-off for taxis is towards the top of Chancery Lane, this being a one-way street coming up from Fleet Street. One of the main entrances, across from the 'Silver Vaults', brings you to Stone Buildings at the right and Old Square to the left but a drop-off point nearer to High Holborn, opposite the Wendells Deli, brings you to a narrow gate (see A) leading you right outside 11 Stone Buildings. Vehicular access is via Lincoln's Inn Fields only. If you want to park your car, Lincoln's Inn will charge a fee and direct you to a parking area. Payment is at the Main Gate on departure.
